

Robert Half Your **Cost-Effective** Recruitment Partner

Sophisticated organisations have realised that today's economy presents a unique opportunity to upgrade the skills and experience level of their team. Robert Half can help ensure that you have access to highly skilled finance and accounting professionals you would not typically find on your own.

Case Study: Upgrading in a Downturn

A regional manufacturing firm was severely impacted in the last downturn and was losing thousands of dollars per day. Their Financial Controller was unable to develop a plan that would lead to profitability.

Even though they had a hiring freeze in place, the company turned to Robert Half to help them quickly hire a new Financial Controller with extensive turnaround and cost control experience.

The new Financial Controller helped the company eliminate unprofitable products and right-size its labour force. By upgrading to a highly skilled Financial Controller, the company returned to profitability and achieved double-digit growth when the downturn ended.

A recent independent survey revealed that it can take up to 3 months to fill an open position. We designed our innovative Company-In recruitment process to help our clients reduce the loss of productivity associated with an open position, saving them both time and money. By leveraging Robert Half's Company-In recruitment process, you will enjoy the following competitive advantages:

- We do the recruiting, evaluating and scheduling for you, presenting professionals who are matched to your specific hiring requirements and workplace environment.
- You conduct all first round interviews in one session at our office, and following these interviews you decide which candidate(s) you would like to meet again (or hire immediately if you prefer).
- As our research reveals, our unique approach and methodology can save you up to 3 months in lost productivity associated with recruiting on your own. We reduce the entire hiring process to, on average, 10 business days from taking the job brief to confirming the start date of the successful candidate.
