ELIZA GOLDBERG

PROFESSIONAL PROFILE

A senior executive with over 10 years' experience in local and domestic finance markets, and a proven ability to oversee international budgets and generate revenue.

KEY SKILLS

- Executive strategy formulation leading to profit increase
- Unique approach to customer base growth
- Creative international development strategy implementation
- Named in AusExec's Top 100 Most Innovative Leaders 2014 list

WORK EXPERIENCE

Executive Officer

Westle Banking Services

2016 – current | Adelaide, Australia

At Westle Banking Services, I was appointed to an executive leadership position overseeing a team of eight to implement the company's business strategy and drive profits.

- Ideate and implement risk management strategy
- Liaise weekly with international teams to build organisational capacity
- Responsible for growing international team by minimum of 15% in current financial year
- Guarantee competitive interest rates for Westle Gold clients of 4.5%
- Increase volume and frequency of customer insights used to inform policy and procedure

Senior Executive

United Bankers

2009 – 2015 | Adelaide, Australia

At United Bankers I led a team of four in creating unique and innovative strategy to increase our customer base and generate leads for wider organisational growth.

- 2013/14 financial year customer base increase of 3%
- 2014/15 financial year customer base increase of 9%
- Seconded to Hong Kong and Singapore to develop capacity of international management teams and increase organisational productivity by 17% and professional development opportunities for international team by 31%
- Our team was awarded Most Creative Strategy Award at the 2015 annual Australian Finance Awards ceremony

Senior Financial Adviser

Butler & Cormach Ltd.

2004 – 2008 | Adelaide, South Australia

While finishing my Fellowship with Adelaide Business School, I commenced work with Butler & Cormach Ltd. in their Global Development team.

- Used findings from research fellowship to inform global strategy
- Implemented financial communication tool EcomComm to improve communications with international partners
- 2005/06 financial year I negotiated partnership with app Fund Fast World to increase speed of transfer for customers by 48%
- 2005/06 financial year customer base increase of 26%
